

```
FILEDS TERMINATED BY ,
(
file_id INTEGER(5),
file_name CHAR(30),
file_data LOBFILE (file_name)
TERMINATED BY EOF
)
BEGINDATA
1,F:\Koala.jpg
step 2)
now when i run this command
F:\oracle\product\10.2.0\db_1\bin>sqlldr system/oracle
control = F:\practice\control.ctl
i got this following error
SQL*Loader-941: Error during describe of table IMAGE
ORA-04043: object IMAGE_TABLE does not exist
but already this image_table in my oracle
look this
SQL> conn anna/anna
Connected.
SQL> select * from tab;
```
